**Solutions:**

1. c

2. d

Solution:

Many possible answers...

Here's the template:

"As a <who>, I want <what> <why>."

Here are some other good attributes:

- Describe one thing
- Use customer's language
- Not be long essay
- Not use technical terms

**Solution:**

US Review Flight is better because it is customer oriented. US Animate Buttons talks about implementation technologies (jQuery) that the may know nothing about.
