How well did the USs and definitions follow instructions? Check one and explain below.

- Good/Excellent (perfect or nearly perfect)
- OK (some noticeable issues, but overall, still mostly followed instructions)
- Major issues (lots of very noticeable divergences from the instructions)

How coherent were the USs and definitions overall? Check one and explain below.

- Very coherent (everything was clear, understandable, and well thought out)
- Somewhat coherent (a few parts were confusing, inconsistent, redundant or poorly explained)
- Incoherent (lots of parts were confusing, inconsistent, redundant, or poorly explained)

How complete did the USs and definitions seem? Check one and explain below.

- Very complete (covered features very thoroughly)
- Somewhat complete (although a lot was covered, it seemed like some obviously needed features were missed; having a few epics may also be a problem here)
- Very incomplete (lots of clearly needed features were missing; having too many epics may also be a problem here)
