

Team Composition Policy

You are allowed to have a say in who one of your teammates will be. I will choose the rest.

How to:

1. Send me an email request naming one and only one other student who you want on your team.
2. That other student must also send me a request for you to be on his/her team.

Deadline: Mon 17 Sep at 1pm

Other rules:

- I must receive both requests from a duo, and I will ignore any unpaired requests.
- I will ignore multiple requests from the same person.
